Yellow Yard Waste Containers.....As mentioned in our monthly phone message and on our website, Waste Management has issued yellow yard waste containers to all homes within the Town of Elsmere. This can is to be used for yard waste only; this includes items such as grass clippings, leaves, or sticks. Items are to be placed directly into the can and this will eliminate the use of plastic bags for yard waste. Please be advised in the event you wish to use bags for your yard waste, they must be paper bags which can be found at local hardware stores. Yard Waste is collected every Thursday with Trash and Recycling. If you have any questions about the yard waste container, please feel free to contact Town Hall at 302-998-2215.
