The following item has been added to the original agenda for the July 12, 2018 Council Meeting. It has been determined that these items are important enough that they should not be held until the August 2018 meeting and that this Supplemental Agenda should be issued allowing them to be addressed.

Executive Session:

The Mayor and Council will enter into an executive session in accordance with Title 29 Chapter 100 §10004(B)(4) to discuss a pending legal matter. It is anticipated that the Council may need to take some form of action based on information received in this executive session upon returning to public session. The type of action that may be needed is not known at this time, therefore, the Council will return to public session following the executive session and any action will be taken in public session.

**Anyone wishing to attend the meeting who may require special accommodations should
